New riders are always welcome to ride with us. For your first three rides membership of Cycling UK is not required. However following that you **MUST** become a full or associate member of Cycling UK. This is because in the event of a claim being made against the group riding, our insurance is invalid if anyone of that group is not a member. Details of membership options and how to join can be obtained on the Cycling UK website. No membership of Walsall Area CTC is required.
[Please take note of the lead rider's mobile number in case of any problems and give him / her your emergency contact details.](#)
