

Walsall Area Cycling Runs List

First, a big shout out to the ride leaders who are making sure we can take groups out. Groups of up to 15 - how we are making it work; The ride organiser (sheriff) sets the route, shares the route and allocates groups. So that's who you need to contact in order to join the groups. Their names are in bold and their telephone numbers are given. You can give a preference for the start time, and we will do our best to accommodate. The other name is the person who uses the route to lead their group (deputy). The start times are 30 minutes apart in order to keep the groups separate and we need to split into smaller groups (max 6) at the rest stop.
